**By checking this box, I affirm that the information entered above is accurate and that the name typed above represents my official signature.**

**List of additional information that should be included in conjunction with the application:**

Preliminary plans, specifications and dates for any improvements that the Applicant intends to make on the Airport as part of the activity for which approval is sought.

The current financial statement, together with financial projections for the first six months of operation, as prepared or certified by a Certified Public Accountant.

A current credit report for each party owning or having ten (10%) percent or more financial interest in the business and a credit report on the business itself covering all geographical areas in which it has done business in the ten-year period immediately prior to such application.

Copies of all licenses, certifications and permits processed by the Applicant and its key employees to be based at the leased premises that are necessary or required to perform the proposed services.

An agreement to provide bond or suitable guarantee of adequate funds to Airport to be used to defray any expenses and fees normally paid by the Operator between the estimated time the Operator may default and a new lease is executed and another Operator takes over.

A written authorization for the FAA, any aviation or aeronautics commissions, administrators and departments of all states in which the Applicant has engaged in aviation business to release information in their files relating to the Applicant or its operation [the Applicant will execute such forms, releases or releases as may be required by those agencies]. (If applicable)

Copy(ies) of insurance company letter of intent of liability coverage for the business operation, flight operations, itinerant Aircraft and operators and premises insurance.
